

## UNCA Inc and Fund-it BenefitBar Join Forces!

We are excited to announce that you can now financially support our organization without taking a dime out of your pocket...the dime comes from Yahoo! There is no cost to our organization and no cost to you. You can help us raise funds without writing a check or buying and selling products or spending any additional time.

Thanks to our new relationship with Fund-it BenefitBar, we receive ten cents each time you click on a sponsored link when you search through our new customized toolbar. No purchases are necessary. Fund-it has created a customized toolbar for our organization; you simply download it to your Internet browser and do all of your searches through the Yahoo! search engine. As an added benefit, our custom toolbar includes additional helpful links. There are no pop ups, spyware or adware; your privacy is protected and it will not replace your existing toolbars. The download process takes less than a minute and the toolbar is un-intrusive.

Please take a few minutes to go to <http://www.benefitbar.com/benefitbar/subscribe/toolbar.php?toolbarId=2640> and simply download our toolbar and help us meet our financial needs.

Thank you so much for your continued support.

PS: We hope this will make your life in the Internet easier and enjoyable all while knowing you are generating dollars to help make a difference.
